North Dakota Critical Access Hospitals

History

Trinity Kenmare Community Hospital was established over 100 years ago and has been an integral part of the community providing a wide range of services and support to the rural community.

Recreation

Kenmare is located in Ward County in northwest North Dakota. The community is known for its unique town square and boasts approximately sixty businesses. Recreational facilities include a swimming pool, tennis courts, softball field, and a golf course. Hunting, fishing and outdoor sports are readily available. A weekly newspaper services the community. School enrollment K-12 is 360.

Center for
Rural Health

This project is supported by the Medicare Rural Hospital Flexibility Grant Program at the Center for Rural Health, University of North Dakota School of Medicine & Health Sciences located in Grand Forks, North Dakota.
